▶ **EUROPEAN FOOTBALL (SOCCER) FAN'S ANTI-SEMITISM**

The problem of anti-Semitic abuse at soccer matches which until recently has been limited to Eastern Europe, has been a revived in Western Europe. The most serious situation has been a resurgence of anti-Semitic chanting toward one particular team, Tottenham Hotspur, which is based in a traditionally Jewish section of London. In a recent match against a rival West Ham United, sections of its fans chanted, **"Adolf Hitler's coming for you"** and **"You're getting gassed in the morning"** and making hissing noises like the sound of a gas chamber. A reporter for the *Telegraph* said, "We are not talking about a few isolated crooners here. A significant proportion of West Ham's travelling support participated." Because Tottenham has the largest Jewish fan base in England, it has long been the target of anti-Semitism—so much so that the fans have adopted the slurs "Yid" and "Yiddo" as a way of deflecting abuse.

Mila Kunis' family, like countless thousands of other Ukrainian Jewish families, left the Ukraine in the first place because of anti-Semitism. CONTRIBUTOR, *SPIEGEL ONLINE*

"With backing from the US, where the president must secure the support of Jewish lobby groups, and in Germany, where coping with history, in the meantime, has a military component, the Netanyahu government keeps the world on a leash with an ever-swelling war chant."

9

"Israel's nuclear power is a danger to the already fragile peace of the world. This statement has triggered an outcry. Because it's true. And because it was made by a German, Guenter Grass, author and Nobel Prize winner. That is the key point. One must, therefore, thank him for taking it upon himself to speak for us all."

"Israel is threatened by Islamic fundamentalists in its neighborhood. But the Jews also have their fundamentalists, the ultra-orthodox Hareidim. They are not a small splinter group. They make up 10% of the Israeli population. They are cut from the same cloth as their Islamic fundamentalist opponents. They follow the law of revenge." key point. One must, therefore, thank him for taking it upon himself to speak for us all."

"The fire burns in Libya, Sudan, Yemen, in countries which are among the poorest on earth. But those who set the fires live elsewhere. Furious young people burn the American, and recently, the German flag. They, too, are victims, just like the dead at Benghazi and Sanaa. Whom does this all this violence benefit? Always the insane and unscrupulous. And this time it's the U.S. Republicans and Israeli government."

He certainly would have had what it takes."

► **LOUIS FARRAKHAN** (CONT.)

“I don’t know how many Jews were killed. I know something happened in Nazi Germany, and if it’s one million, two million, three million; it’s one million, two million, three million too many. But to deny a person the right to challenge your articulation of numbers and to put you in jail if you deny aspects of the Holocaust... You can’t speak about Jews. You can’t criticize Jews. If you do, you’re an anti-Semite.”

Farrakhan: How many of you are lawyers? Only have one in the house? No wonder we go to jail so much, brother! But at the top of the law profession, who are the top in law?

Audience: Jews.

Farrakhan: **Sorry I didn’t hear you.**

Audience: Jews!

Farrakhan: **Any doctors in the house? Ain’t got no doctors? Oh there’s one way in the back. At the top of the medical profession, the top in that are members of the Jewish community. Anybody in media? Who’s the top in that field?**

Audience: Jews.

Farrakhan: **Anybody a rapper in the house? There’s rappers. You can rap, ain’t nothing wrong with that, but at the top of that are those that control the industry. Any of you have Hollywood ambitions, Broadway ambitions? Who’s the top of that?**

Audience: Jews.

Farrakhan: **Same people! They’re masters in business. Well I’m not a businessman I’m a banker. Well who’s the master of the bankers?**

Audience: Jews.

Farrakhan: **TALK TO ME!**

Audience: Jews!
